INSURANCE

We participate in most insurance plans. If you are not insured by a plan we participate with, payment in full is expected at each visit. If you are insured by a plan we participate with but do not have an up-to-date insurance card, payment in full for each visit is required until we can verify your coverage. Knowing your insurance benefits is your responsibility.

MEDICARE

We are participating Medicare provider. Medicare as well as your secondary insurance (if any) will be billed for you. However, that does not mean that all services are covered. Patients are responsible for paying their annual deductible if it has not yet been met. You are responsible for any copayments, which are usually 20% of the allowed amount for an item or service.

SECONDARY INSURANCE

Your medical claim will be forwarded to your secondary insurance (if any) after payment and/or explanation of benefits (EOB) is received from your primary insurance company.

COPAYMENTS AND DEDUCTIBLES

All co-payments and deductibles must be paid at the time of service. We accept the following payment methods: Cash or VISA/MasterCard/Discover/American Express.

ORTHOTICS

Our office can design and create custom orthotics that are tailored to your particular foot disorder or condition. Many insurances cover this service but it is not uniform. Because of the time and cost incurred by our office to provide orthotics, we must charge a nonrefundable 50% deposit at time of order with the remainder due upon receipt of the orthotics.

SELF-PAY

Payment in full is due at the time of service if you do not have health insurance.

NON-COVERED SERVICES

Please be aware that some of the services you receive may not be covered by Medicare or other insurers. You are responsible for payment of these services.

REFERRALS/AUTHORIZATIONS

We are required to follow the guidelines of your managed care plan, which mandates that when you visit a specialist such as ours, you must have a referral from your primary care physician prior to seeking specialty care, if required. Therefore, you are financially responsible for the services received, unless your referral is presented at the time of the visit. If you do not have a referral from your primary care physician at the time of the visit, you will be financially responsible for all services received due in full upon completion of the visit. Full credit will be given if a referral is presented to our office within 48 hours of this visit. You will also be given the option to reschedule your appointment.
